Hawaii Polo and Racing Club Will Dedicate New Courts With Open Tournament for Valuable Prizes—Ladies' Singles, Mixed Doubles, Men's Singles and Men's Doubles Will Be Played—Number of Stars Expected to Compete in Events

With only echoes of the world series ringing in their ears and no more calls of the megaphone man, followers of athletics will turn their attention to tennis, locally, and football. Then tennis will be with the fans more after a lapse of many months.

The first tennis tournament to be staged on the new courts of the Hawaii Polo and Racing Club at Kapiolani Park will begin on Friday, October 27. This tournament should create much interest among the followers of the racket games, as the new courts are especially adapted for fast play.

### Ladies' and Men's Events

The events will be open and will consist of ladies' singles, mixed doubles, men's singles and men's doubles. The ladies' singles and mixed doubles will be held on Friday and Saturday afternoons. The men's events will be held on Saturday and Sunday afternoons.

The Hawaii Polo and Racing Club anxious to encourage tennis here, will present handsome prizes to winners. The cups will be awarded to those winning the events three times. There are a number of good players in Honolulu at present, and the events should be hotly contested.

In the ladies' play, William Eklund, Hawaiian champion, Billy Hoogs, a local player, and Stanley Kennedy, Billy Warren, Walter Dillingham, Lieut. Jones, Harold Dillingham, Harold Castle, Dr. Williams and others should be entered, and these players will perhaps appear in the doubles.

Billy Hoogs will be paired this year with Alan Lowrey, while Billy Warren, last year's partner with Hoogs, will select another player. Castle and Eklund will perhaps play together, while Charley Littlejohn will have to select another partner, as O'Dowda is out of the game.

In the ladies' singles, the Hawaiian champion, Miss Clara Scott Goodloe, in California, Miss Richards, who was in the finals, will be ready for competition, as will Miss Pauline.

Brush is confident of downing the Chinese aggregation, and will send his best pitcher in the lineup against the Chinese. Brush is not the only one who believes that the All-Service team will win, as there are any number of fans around the city who believe that the Brushers have the necessary punch to deliver. It will be a battle, and the team winning will take second place in the series.

The Federals walloped the Financiers 4 to 0 in last night's games of the Commercial Bowling League on the Y. M. C. A. alleys. Total pinfall went to the Federals by only 16 pins.

H. Morgan and H. S. Canario of the Federals and O. P. Soares of the Financiers were double century men. Soares was highest single score man, making 204 in his third game. Highest total went to H. S. Canario, who rolled 548.

## SPOKANE BOY HAS NARROW ESCAPE IN RACE WITH SHARK

Being chased by a shark was a sensation experienced by Herbert G. Alexander, a Spokane boy, while he was swimming early this month at Honolulu, where he is working as a printer. In a letter to his father, Spencer L. Alexander, manager of the Alexander Print shop of Spokane, the young man describes the experience.

"I had been in the habit of going in swimming for an hour each night after work," he says. "I started to swim across the harbor from the Heian bathhouse to the transport wharf, about 500 yards, and when I got half way across, swimming slowly and watching some men on the opposite wharf, I noticed them jump up and yell to me. I thought they meant for me to look out for a boat, but I turned and didn't see any. Then the bunch from the bathhouse started to shout almost at the same time.

"I knew what they meant, so did not tarry any longer, but started to 'crawl stroke' toward the nearest wharf. The American-Hawaiian S. S. Floridian was the nearest and I covered the 100 yards in the best time of my life. Funny thoughts sure do ramble through one's mind at a time when you think escape would be the one and only thought. I could hear the people yelling 'Shark, shark,' and I was a nice, fresh piece of bait, happy thought.

"I noticed the people on the wharf looking in front of me and I knew that the shark had passed me. I reached the ship and climbed on to the ladder and got some rest there, then had to jump into the water again to get to the dock. It nearly got my 'Angora,' I don't want any more races like that."

Herbert Alexander was prominent in athletics at the Y. M. C. A. before he left Spokane.

## FOOTBALL STARS BATTLE IN MANY GAMES SATURDAY

Washington State Meets Oregon Aggies; Illinois vs. Colgate; Navy vs. Pittsburg

It has reached the season of the year in football where the teams are becoming evenly matched in the game and the schedule for Saturday afternoon brings a number of strong teams together. Yale may strike a tartar in Lehigh, as last year the Blue won by but one point.

Ohio and Oberlin are expected to fight a hard game, while the Army will have a hard battle with Holy Cross. The soldier men look strong this year and have a number of veterans back. Navy will have a severe test and the Pittsburg squad should win out against the Annapolis players.

The first intersection game of the year will be played when the Illinois team meets Colgate. Last year Colgate swamped Yale, 15 to 0, so Zuppke will have a job on his hands. Perhaps the contest which will be watched more throughout the country than any other will be the battle between Washington State, who, with Cornell and Pittsburg, held the title last year, and the Oregon Aggies. One of these teams from the section where football is played, will be downed, and the eastern fans will be watching for the result. The following games are scheduled for tomorrow:

At New Haven—Yale vs. Lehigh.  
At Cambridge—Harvard vs. North Carolina.

At Ithaca—Cornell vs. Williams.  
At Hanover—Dartmouth vs. Mass. Aggies.

At Columbus—Ohio vs. Oberlin.  
At Princeton—Princeton vs. Tufts.

At West Point—Army vs. Holy Cross.  
At Annapolis—Navy vs. Pittsburg.

At Chicago—Chicago vs. Indiana.  
At Urbana—Illinois vs. Colgate.

At Ann Arbor—Michigan vs. Mount Union.  
At Minneapolis—Minnesota vs. N. Dakota.

At South Bend—Notre Dame vs. Haskell.  
At Philadelphia—Pennsylvania vs. Swarthmore.

At Madison—Wisconsin vs. S. Dakota.  
At Berkeley—Whittier College vs. University of California.

At Los Angeles—Sherman Indians vs. Occidental College.

## PUNAHOU AND KAM TO HAVE HARD TESTS SATURDAY WITH MCKINLEY AND HAWAII

College Team Has a Number of Veterans Back This Year—Brash, Ballentyne, Hicks and Other Stars Will Be in Lineup—Midkiff's Men Due for Hard Battle—McKinley Team Will Work Out This Week in Preparation for Contest With Kam.

### FOOTBALL GAMES TOMORROW

Punahou vs. College of Hawaii at Alexander Field.  
McKinley vs. Kamehameha at Kam Field.

College of Hawaii will be given the first test of the year at Alexander Field on Saturday afternoon, when the team meets the Punahou squad for the first time. College of Hawaii has lost Austin, their star halfback of last year, and several of the linemen are missing, but with Ballentyne and Brash back the squad should make a good showing.

On paper the college team looks as strong as Punahou and although Lee, who was a star at handling the forward pass last year, is gone, and the team will miss Peden's coaching, the squad is confident that Midkiff's men will be given a good battle. Capt. Hicks was the star lineman last year, and whether he takes his place in the backfield or the line, the squad can depend upon good work.

### Hawaii Has Chance

Punahou did not look any too good in its last game and if Hawaii is anywhere near as strong as last year should be in, although it will be handicapped by the loss of a coach. With Brash to buck the line and throw forward passes, the team should present a good front. In a practice game the other night the team held McKinley to a tie score, but this will not necessarily be a line on the team. If the squad can get to running together it should give the spectators an interesting game. Ballentyne played a nice game last season and is expected to make the boys hustle. The squad is naturally a small one, but from the line that can be obtained on it it should be in the running.

Punahou didn't show the flash and dash of last year's team, but, of course, much of the play in the first game is only preparatory work and the boys have a habit of improving as the season goes along. Midkiff has a bunch of fighters and the boys played aggressive football on Saturday, even if the smooth work was lacking. Hawkins and Kaunane look good in the backfield and with more games should give a good account of themselves.

### Good Substitutes

The showing made by Leal, Poque and Decker in the game with St. Louis means that Midkiff has a number of substitutes who can go into the game at any time and the lineup will not be weakened. Hawaii lacks substitutes and should injuries result the team will be in a bad way. The game on Saturday should be an interesting one from every standpoint, as it will give the fans a true line on the college squad.

McKinley will have a hard game on Saturday when it meets the strong Kamehameha team and the Kam squad looks like winners. The high school squad has a heavy line, but it hasn't been charging as it should, and Mills made a fool of some of the players. McKinley needs hard work and it has been getting it this week. If the line can hold, the Kam team should not run up an overwhelming score after all.

### Good Tackles

Melvin and Lujan will be in the line for McKinley, and the Kam team, with Simeona and Bertelmann out of the game, will not gain much ground through the tackle positions. Both these players have experience and they know football. The McKinley

guards look strong and if they can withstand the bucks of the heavy backs the high school may not make such a sorry showing, despite the loss of nearly every veteran.

Thompson and Tsukiyama have been playing a good game in the backfield, and the latter, who is a star baseball player, has made good light from the start. He went out for the second team, but his ability to run low and hit the line gave him a place on the first squad. Thompson, who was in the line last year, is a plucky player, who gets all that is possible out of the game.

### Poor Interference

Kam did not secure all that was possible out of the game with Punahou, and although it gained more yardage than the Blue and Gold team, it failed to take advantage of its opportunities. Eaton played a star game in hitting the line and Hussey made a number of good gains. Dower did not have a chance. The interference was lacking and he never had an opportunity to get past the end for a run.

At quarter De la Nux did not show up to last year's form, although he was injured early in the game and was at a disadvantage. There are plenty of chances of improvement on the Kam squad and this may be brought out in the coming contest with the high school squad.

The games are still being staged on different fields and on Saturday the football fans will not know which game to attend. Had the committee taken some action on planning two games on one field, the fans would have supported the game more. Midkiff and Booth were opposed to the plan. Midkiff says that he will favor it if Booth does, and the fans are still tossing up to see which game they shall attend. The fans want to see football and will gladly pay more to see two contests.

### JAPANESE REFUSE DECORATIONS

[By Associated Press]

TOKIO, Japan.—A sensation has been caused in Japan by the refusal of two prominent Japanese to accept decorations granted by the emperor in connection with the war with Germany. The recipients are Yosaburo Takekoshi, a well-known journalist, who was a member of the diet last year, and Masutaro Takagi, who is now a member of the house of representatives. They base their refusal upon the fact that, as members of the diet, they are the representatives of the people whose duty it is to watch over the work of the government. They hold that acceptance of a decoration is against the spirit of the constitution and almost in the nature of a bribe. Also, they declare that it is improper to accept honors while the war in Europe is still raging, merely because the Japanese troops had been victorious at Tsingtau.

A government official insists that it is not within the power of any Japanese to decline an honor bestowed by the emperor.
